Swarthmore College Course Registration Form

Student's Name _____ HS Grad Year _____

Date _____ Email _____ Birth Date _____

Professor's Name _____

CrsRefNo _____ Subject _____ Sec _____ Course Title _____

Days & Time _____ Semester _____

- Juniors and seniors may only take classes not available at SHHS or beyond the level we currently offer for courses completed here. Students must also complete the full sequence of courses in any discipline before requesting a course at the college.
- Students must be exceptionally well prepared and committed to working at the college level, which requires more effort than honors or AP classes. Students are required to have a 3.75 GPA overall and in the academic area of interest and a 95% attendance rate. Taking courses at Swarthmore College depends on the approval of the professor teaching the course and the registrar's office, either of which can say "no" for any reason. Space limitations, priority for Swarthmore degree candidates, and so on, are normal reasons for high school students to be denied permission.
- The College can revoke permission at any time for Administrative reasons.
- Students are technically considered "visitors" at the college and will not receive college credit. Students will receive high school credit and letter grades on the high school transcript. The final grade will be sent from the professor to the college registrar and then sent to the high school by the Swarthmore College Registrar's Office. Pass/fail is not a grade option.
- Students are responsible to provide their own transportation and any materials necessary for the Swarthmore College course.
- Parking at Swarthmore College is restricted to the Water Tower Parking Lot; Students must obtain a parking permit from the Swarthmore College Dept. of Public Safety prior to the first day of classes. Make, model and plate # will be required. Violators will be ticketed.
- High School students are prohibited from entering any Swarthmore College residence hall except on an admissions campus tour led by an admissions campus tour guide.
- Students with a well-documented disability and a history of accommodations who wish to apply for academic adjustments at Swarthmore College must present their documentation to the Swarthmore College Office of Student Disability Services for review *no later than* the first week of classes. Presentation of documentation does not guarantee accommodation.
- Students must complete this form, obtain all signatures, and return it to Mrs. Dunning for final approval.
- In order to participate, the high school student and student's parent/guardian must complete and sign the college's Hold Harmless Release and show proof of independent personal insurance coverage for the student. No participant is allowed on campus until he or she has completed and turned in the Hold Harmless Release and had the form approved by the Registrar's Office.

Please read this entire page for the process to request a course at Swarthmore College:

- 1) Students must inform their counselor of their interest to determine if a course at Swarthmore College is appropriate. Students must research the course options and times. The Swarthmore class must fit into the existing SHHS schedule.
- 2) Students obtain the Swarthmore College Course Registration Forms in the Career and College Counseling Center and obtain all the signatures required from Strath Haven faculty including their counselor, department chair and administrator in that order before going to the college.
- 3) If approved by the high school the student may approach the Swarthmore Professor for their permission.
- 4) Once all forms, including the Hold Harmless Agreement and Emergency Information, are signed, they must be returned directly to the Career and Counseling Center by the deadline printed on the Registration Form.
- 5) The student and Mrs. Dunning will be notified by the college once they are approved and registered for the class.

Special Notes:

Keep in mind the differences in scheduling between the two schools. The college does not change its schedule for snow days and has a different spring break schedule. Classes typically begin before Labor Day. Additionally, midterm exams and final exams may be scheduled at times that may conflict with SHHS classes or activities. Students are responsible to resolve any conflicts to meet the requirements of the Swarthmore course and their Strath Haven class.
