2022-2023 Budget

During the 2021-2022 school year we have benefited from the use of Financial Analytic tool Forecast 5 that provided the district with a depth of analysis that we were not utilizing before.

The budget incorporates additional personnel for Safety and Security:

“The chief school administrator of a school entity shall appoint a school administrator as the school safety and security coordinator for the school entity. The appointment shall be made not later than August 31, 2018.”

- School Safety and Security Coordinator Per Act. 14
- Full time Campus Safety Aides at each building
- Part time Safety and Security Aides at the MS and HS

We have to address the gaps that currently exist with ensuring the safety and security of students and staff

Safety and Security aides will play a vital role in maintaining a healthy school climate and culture as they will fulfill a myriad of duties
