NPE Service Project

PE will once again participating in a collection for the [Community Action Agency of Delaware County](#) (CAADC). The collection will culminate in the making of care bags for disadvantaged residents during our building's observance of MLK Day on Thursday, January 16. NPE will also be making cards for these same residents and needy veterans.

[CAADC](#) is a private non-profit 501(c)(3) corporation that has been serving the economically disadvantaged residents of Delaware County for over forty (40) years. We will be preparing Blessing Bags for families.

Between December 16 and January 13 NPE will be collecting **travel-size donations** for the *Care Bags*.

Inclement Weather and Closing Information

As we approach the winter months, the district is committed to providing helpful, accessible, and timely information regarding our inclement weather protocols. During the year, there may be times when our district will need to close our schools or adjust their schedules. Through collaboration with our regional National Weather Service office; Departments of Safety & Security, Operations, and Transportation; and county and local officials, this decision will be made and communicated by our Superintendent of Schools.

During inclement weather protocols, there are a few possibilities:

- **Snow day** - In the event of inclement weather, the district may declare a snow day. This determination will be made and sent out as early as possible.
- **2-hour delay** - In the event of inclement weather, schools may follow a 2-hour delay schedule. You can find the schedule for your school on this page.
- **Early dismissal** - In the event of inclement weather during the school day, the district may implement an early dismissal schedule.
- **After-school activities** - On snow days, after-school activities will be canceled. If weather conditions worsen during a regular school day, after-school activities may be canceled. In any case, families will be notified.
