

# Grade 5: Weekly Word Study Focus Lesson 3

In our classroom this week, we will learn to read and spell <u>single syllable</u> words with the <u>open syllable pattern</u>. Here is the pattern to practice this week:

Open Syllables	Open syllables have 1 vowel letter followed by no consonants, and the vowel
. ,	sound is long. The letter y at the end of a syllable takes on the role of a vowel.

Here are some examples of words with the open syllable pattern:

		la :	de	al	l
me	go	hı	why	Sly	

Below are activities to practice at home this week. You may also use the activities and questions from the initial *Family Support Letter* to further address your child's success in learning the weekly phonics focus.

### **Read Words**

Guide your child through reading open syllable words by saying "Let's read some words." Read these steps to your child:

- 1. Point to the vowel letter in each word.
- 2. Identify the syllable type and say the vowel sound. Remember, when the letter *y* is at the end of a 1-syllable word, it is most often pronounced with the long i sound.
- 3. Read the word.

ply	we	SO	she	dry
-----	----	----	-----	-----

## **Read Phrases**

Guide your child through reading phrases by saying "Let's read phrases. Point to the first phrase. Read across each row. Ready?"

ply the lands	can she stand	
we went with	wet or dry	
so many people	animal is sly	

#### **Word Sort**

Guide your child through this Word Sort by saying "Let's sort words." Read these steps to your child:

- 1. Point to the vowel letters in the word. Remember to show an open hand if the word follows the open syllable pattern.
- 2. Identify the syllable type as open, closed, or long vowel silent-e and say the vowel sound.
- 3. Read the word and then write it in the correct column below.

blush	state	dress	fly	wave	be
pro	twist	phone	match	blaze	pry

Open	Closed	Long Vowel Silent-e

#### **Weekly Words**

declare	to clarify away from (others)	isolate	to cause to go alone
oppose	to place (oneself) against	provoke	to call forward

To reinforce automaticity of recognizing, reading, and writing the Weekly Words, here are a few activities your child can do throughout the week:

- 1. Dictate each word to your child and have him or her write the word and then use the word in a sentence.
- 2. Create a matching game. Write the words on sticky notes or index cards and the definitions on another set of sticky notes or index cards. Have your child match each definition card with the correct Weekly Word card or use all the cards to play Memory.
- 3. Have your child highlight any prefixes or suffixes he or she can identify in each of the Weekly Words.
- 4. Use the steps from the <u>Read Words</u> activity on the previous page. For each word, have your child identify the vowel letters, divide the word into syllables, and then read the word.
