Parent/Student Portal Consent

The Wallingford-Swarthmore School District now offers parents of middle school and high school students the opportunity to use the Parent/Student Portal to view their child's grades, attendance, discipline, and scheduling information via the internet.

In order to access your child's information online you must have a working e-mail address in our student data system. Having your e-mail address in the data system will also enable you to receive various district updates and announcements. This technology utilizes the District's server and conforms to all Wallingford-Swarthmore security guidelines and procedures to help ensure privacy and security.

In order to access the Parent/Student Portal, you must complete the consent form below and return to the school's main office.

………………………………………………………………………………………………

Parent/Student Portal Consent Form

I hereby provide my e-mail address to the Wallingford-Swarthmore School District. I give the District permission to use the e-mail address for the following purposes: (1) to set-up access to the Parent/Student Portal and (2) to provide me information concerning my child.

I understand that my e-mail address will be kept confidential and will not be shared with other parties. I also understand that I may request to discontinue receiving District e-mails by contacting the school office.
