

WSSD Extended School Year

Elementary and Secondary Extended School Year

Elementary Summer Program (Grades Kindergarten – 4)

Students will be grouped by need and specific intervention type. The schedule includes approximately 10-15 minutes of morning meeting/social time with teacher and peers, 30 minutes of small group Reading/Language Arts per day and 30 minutes of small group Math per day as well as whole group instruction. All small group sessions will be planned based on the skills/goals identified in the IEP ESY section.

Students also have the ability to receive related services while attending this program.

Dates: Four-week program, typically in July (exact dates vary year to year)

Frequency (Times): 8:30- 11:30; **Monday – Thursday**

Secondary Summer Program (Grades 5-11)

The Secondary Program includes small group instruction along with computer-based intervention programs which specifically target the goals and objectives identified for ESY. As with the Elementary Program, students will be grouped by need and have the ability to receive related services.

Dates: Four-week program, typically in July (exact dates vary year to year)

Frequency (Times): 8:30- 11:30; **Monday – Thursday**

Sample Schedule:

PLEASE NOTE: This is an example schedule, not a confirmed schedule. ESY schedules will be distributed by your child's ESY teacher at the beginning of ESY.
